The Hawaii Government Employees Association (HGEA) was founded in 1934 to ensure fair and equitable representation for government employees. With more than 42,000 members, HGEA is the largest labor union in Hawaii.
ELIGIBILITY
The HGEA State Golf Tournament is open to all HGEA members and their guests. The purpose is to socialize and renew friendships with members from all the Island Divisions.

FORMAT
The tournament is held over two (2) days. The two (2) days is the official tournament with winners being determined by lowest net score for 36 holes. Ties will be broken by matching of score cards, with full handicaps, beginning from the first hole of the second day and continuing until the tie is broken.

RULES
USGA rules govern this tournament unless specified in this application packet or other information distributed. All participants must be available and ready to play whenever their starting time is scheduled. In order to generate fellowship among members, as much as possible, the starting times will be scheduled so that golfers from the different islands are mixed within each group. All golf courses require collared shirts and non-metal spiked shoes.

HANDICAPS
Maximum handicaps: Men 27, Women 40. Golfers with USGA handicap must attach a copy of their official USGA handicap card as of February 1, 2017.

If a copy of their card is not attached, they will play with a “0” handicap. Golfers without USGA handicap will be placed in the Callaway Flight. The tournament committee reserves the right to adjust handicaps as necessary.

FLIGHTS
Men’s A, Men’s B, Women Flights and Callaway. The flight breakdown will depend upon the number and make-up of the golfers participating.

CHECK-IN
Each day all participants must check-in at least 45 minutes before their scheduled tee times. A check-in area will be maintained by the Hawaii Division Tournament Committee.
