*Prior to starting an application, you must submit this form. Not applicable to the Psy.D program application.

Application fees cannot be refunded if the "application fee waiver request" is not submitted prior to applying.

Upon receiving the fee waiver request form, an admissions counselor will contact you with the next steps.

After acceptance into a program, you will need to complete the required verification of employment/membership form.

Employees/members of our partners are required to submit the online verification form preferably no later than (3) weeks prior to the start of the academic semester.

*Form is required to receive partnership discount*
ADDITIONAL INFORMATION

- Partnership discount may not be stacked with any other HPU scholarship award. You will need to choose the one that is most beneficial to you.

- Partnership is only valid upon entry term - meaning must be accepted upon entry term only.

- If partnership discount is accepted, it will apply each semester regardless of full or part-time student status as long as you are employed with partner company/organization.

- If you are awarded other HPU scholarships and decide to decline/not take advantage of the partnership upon your entry term, and instead go with the HPU scholarship, you will no longer be eligible for the partnership discount.

  (example: HPU scholarship/s offered are more than the partnership discount, you choose to use the HPU scholarship/s but then the next semester you decide that you want to be a part-time student and are no longer eligible for the HPU scholarship/s because it requires full-time status, you will not be eligible for the partnership discount).

- Discount applies to currently advertised tuition rates. [www.hpu.edu/tuition](http://www.hpu.edu/tuition)

- May be used with external financial aid and scholarships.
